The FBI is lying to you. Most people on the Terror Watchlist are **"Non-Investigative Subjects."** The FBI is not investigating them because they have been placed into an illegal CIA experiment, called **Targeted Individuals,** and they are tracked using the Watchlist. These people are tortured 24 hours/day with microwaves and gangstalking. Many of them are political activists, whistleblowers, labor union leaders, and scientists.

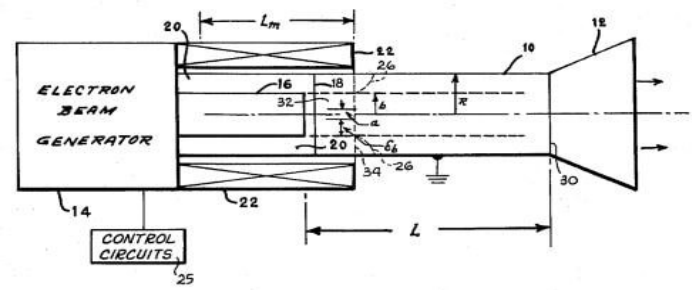
The funding and sponsors of this criminal enterprise are the wealthy **Rockefeller family** and the **Council on Foreign Relations (CFR.org)** in New York City.

The Sworn Affidavits of 2 FBI agents confirm this: **Ted Gunderson and Geral Sosbee** (www.SosbeeVFBI.com)

Doctors know about the Microwave Weapons:

Dr John Hall, M.D. author of 2 books
Dr Daniel Lebowitz, M.D. Senate Testimony
Dr Sue Arrigo, M.D. Former U.N. official
Dr Douglas Smith, M.D. Examined Cuban Diplomats
Dr Colin Ross, M.D., author of CIA book

The Satellite microwave weapons are called a Vircator, operated by the USAF Space Command at **Schriever Air Force Base**, in Colorado Springs, Colorado. (Schriever.af.mil)



Vircator Microwave Pulse Weapon
Patent 4345220, Donald J. Sullivan – assigned to the U.S. Air Force.
Thunderbolt System, first launched in 1987.
32 MegaJoule rating @ 3925 MHz. Manufactured by the Titan Corporation, in San Leandro, CA.

The Gangstalking program is run by the FBI, which is designed to harass, intimidate, and break down the person. The FBI's Fusion Centers outsource harassment to Infragard, Citizen Corp, and Neighborhood Watch. In the U.S., there are about 170,000 Targeted Individuals, and more than 1 million worldwide.
